

ATAIRU Authentic Leadership for Top Managers

Date:

**29 November
2021**

For:

Top management

Program length:

9 months

Number of participants:

15

The only authentic **leadership** program in the Czech Republic that supports and develops women from the top management of companies and members representing Czech and multinational companies. The program focuses on leadership at the highest levels and on new challenges associated with leading distant teams and rapid changes in business and society.

We will show what deltas are in leadership and what **new skills** need to be acquired and used in a challenging environment. Our goal is to increase your **resilience** and help you do so under great pressure to stay created and continue to believe in your abilities.

“

I wanted to move in my work and maybe in my personal life. It gave me a lot of things, surprisingly and unexpected. It gave me the courage to try things, to go into something I'm not entirely sure of, to believe in myself that I could do it, and it opened up a lot of opportunities for me.
