// ATAIRU Authentic Leadership is a program that is **fundamentally different from competing programs** in that it truly addresses the issues of self-reflection and personal development of the leader. As a leader, I am most pleased that the program has **kick-started a very proactive approach to self-development** by my subordinates, as it has opened up new horizons for them.

**Ronald Lipták**

ex-Head of NN IT Hub, NN

## Certificate

Welcome to the ATAIRU community of leaders!
